

Teaching Philosophy Reflection

1. **Describe the best learning experience you have had as a student.**

2. **Describe the best teaching experience you have had as an instructor.**

Are there any similarities to the learning experience you described above?

3. **What are you trying to achieve in your students with your teaching?**

4. **Why is this important to you?**

5. **How do you achieve your objectives you wrote down for question #3 above?**
